REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claims 1-18 are allowed at least for the reason that the prior art of record does not teach or reasonably suggest the micro polarized cell array to receive the light beam emitted from a light source and transmit the received light beam along a predetermined direction, the respective transmission directions of the respective polarized cells varying according to whether the respective cells are contracted, and the polarization direction adjuster to adjust the transmission directions of the polarized cells according to image data, as set forth in the claimed combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hai C. Pham whose telephone number is (571) 272-2260. The examiner can normally be reached on M-F 8:30AM - 5:30PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Stephen D. Meier can be reached on (571) 272-2149. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
